Only My Issues Recently Updated Insights

BACKLOG 0 SELECTED FOR DEVELOPMENT 0 IN PROGRESS 0 DONE 0

Se limita a 3 el número máximo de in progress

This screenshot shows the 'Settings for PF board' page in Jira. The left sidebar contains navigation links for 'PLANNING' (PF board, Roadmap, Kanban board, Reports), 'DEVELOPMENT' (Code, Releases), and 'Project settings'. The main content area is titled 'Column management' and explains that columns can be added, reordered, and renamed. It features a 'Column Constraint' dropdown set to 'Issue Count' and a 'Simplified Workflow' section. Below this, a visual representation of the Kanban board is shown with four columns: 'Backlog', 'Selected for D...', 'In Progress', and 'Unmapped Stat...'. The 'In Progress' column has a red border and a '3' in the top right corner, indicating a limit of 3 issues.

Se muestra en rojo si metemos más de 3

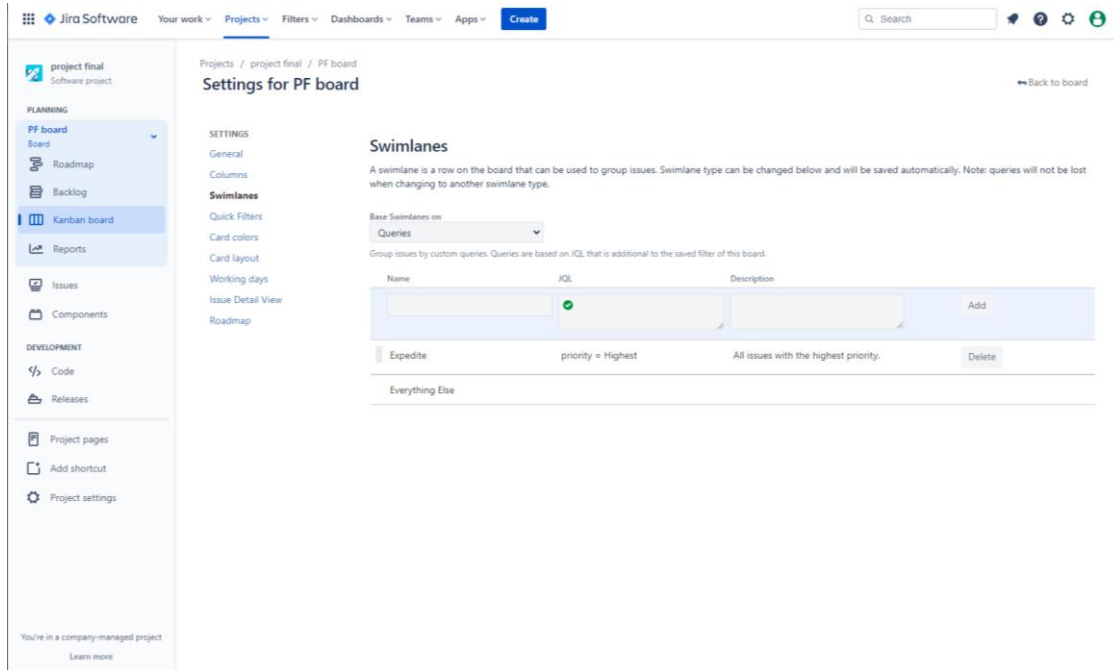

This screenshot shows the 'Kanban board' view in Jira. The board has four columns: 'BACKLOG 0', 'SELECTED FOR DEVELOPMENT 0', 'IN PROGRESS 4', and 'DONE 0'. The 'IN PROGRESS' column has a red border and a 'Max 3' label in the top right corner. It contains four issues labeled 'a1', 'a2', 'a3', and 'a4', each with a 'PF-1' through 'PF-4' label. A red border highlights the 'IN PROGRESS' column. A notification at the bottom left states 'You've created "PF-4" issue' with a 'View issue' and 'Copy link' button. The right sidebar shows 'Insights' and a search bar.

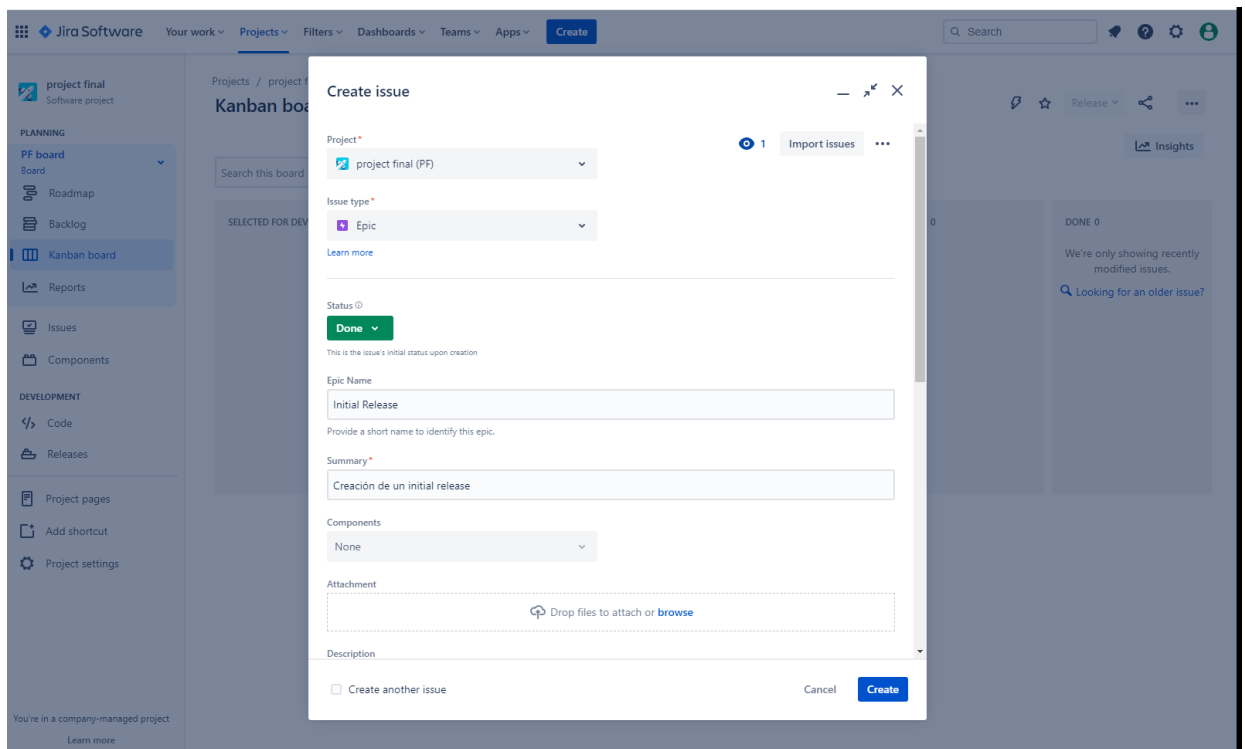

The screenshot displays the Jira Software interface for a project named 'project final'. The top navigation bar includes links for 'Your work', 'Projects', 'Filters', 'Dashboards', 'Teams', and 'Apps', along with a 'Create' button. The left sidebar shows the 'PF board' and its various views: 'Board', 'Roadmap', 'Backlog', 'Kanban board' (selected), 'Reports', 'Issues', and 'Components'. The main area shows the 'Kanban board' with three columns: 'SELECTED FOR DEVELOPMENT 0', 'IN PROGRESS 3', and 'DONE 0'. The 'IN PROGRESS' column contains three issues: 'a1' (PF-1), 'a2' (PF-2), and 'a4' (PF-4). A notification at the bottom states 'You've created "PF-4" issue' with a 'View issue' and 'Copy link' option.

The screenshot displays the Jira Software interface for managing a Kanban board. On the left, the sidebar shows the 'Kanban board' selected under the 'PLANNING' section. The main content area is titled 'Column management' and shows the 'Simplified Workflow' section. This section displays a workflow diagram with columns: 'To Do', 'In Progress', 'Analyze', 'Build', and 'Verify'. The 'In Progress' column is highlighted, and its settings are shown in a modal. The modal shows the column name 'In Progress', a color picker, and a 'Set resolution' checkbox. The 'Analyze' column is also highlighted, and its settings are shown in a modal. The modal shows the column name 'Analyze', a color picker, and a 'Set resolution' checkbox. The 'Build' column is also highlighted, and its settings are shown in a modal. The modal shows the column name 'Build', a color picker, and a 'Set resolution' checkbox. The 'Verify' column is also highlighted, and its settings are shown in a modal. The modal shows the column name 'Verify', a color picker, and a 'Set resolution' checkbox. A notification at the bottom says 'You've created 'PF-4' issue' with a 'View issue' link.

Añadimos el swimlane con el nombre expedite y con la sentencia JQL establecida a priority = Highest

Creamos un nuevo Epic con el nombre de initial reléase

Creamos el filtro para los Initial Release que muestras los que no están en Done

Este es el filtro: project = "Initial Release" AND (statusCategory = "To Do" OR statusCategory = "In Progress")

The screenshot shows the Jira Software interface. On the left, the 'Filters' sidebar is visible, with 'Open IR Epic Issues' selected. The main content area displays the filter results, showing a list of issues on the left and a detailed view of 'Tarea 3' on the right. The filter expression is shown as 'statusCategory = "To Do" OR statusCategory = "In Progress"'. The detailed view of 'Tarea 3' includes fields for Description, Activity, Assignee (Unassigned), Labels (None), and Reporter (Alvaro Garcia Pizarro).

Para finalizar se mueven todos a completado

The screenshot shows the Jira Software interface with a Kanban board for 'project final'. The board is titled 'Kanban board' and shows a workflow with columns: 'SELECTED FOR DEVELOPME...', 'IN PROGRESS 0', 'ANALYZE 0', 'BUILD 0', 'VERIFY 0', and 'DONE 3'. The 'DONE' column contains three issues: 'a1', 'a2', and 'a4'. The left sidebar shows the 'PF board' selected under 'PLANNING'. The bottom of the sidebar indicates 'You're in a company-managed project'.

Una vez hecho se hace la reléase como se muestra a continuación
